

Macer Interior

Macer is the Latin word for lean. Macer is based on a simple and light design where the panel has only been secured at the bottom. This creates maximum freedom for panel shapes and material.

A unique locking system has been invented for the paperflex signs to prevent unauthorized personal to move or change the messages on the signs.

Features

- Wording applied with cut-out vinyl, print on film and print on panel
- Option for raised text and logos
- Available with paperflex: Print on paper and place behind transparent front
