

### Pacific Interior

With its clean, curved lines, Pacific Interior looks great in most environments requiring inviting signage. The panels are built from modules that can be moved around and combined to create 100% individual solutions that are easy to update. Pacific Interior supplements Pacific Exterior to create an aesthetically cohesive look both indoors and out.

### Features

- Panels heat painted in the desired colour
- Wording applied with cut-out vinyl, print on film and print on panel
- Option for raised text and logos
- Available with paperflex: Print on paper and place behind transparent front
